Directions:
1. Put a Parrot Clip through Luminarias base (fig. 1). Center Parrot Clip on base and push on a Luminarias Snap (fig. 2)on each side.
2. If using 4" Parrot Clip, cut off top light clip holder on Parrot Clip to install Luminarias snap.
3. Remove lightbulb from socket. Slide cord through Luminarias base. Bring up the Snap-tight socket holder on the Luminarias base to hold the socket in place. Re-install lightbulb while holding socket and tighten Bulb.
